THREE-FOLD SERVICE GUIDES

Home

As a member of a family our most precious gift is Divine Life which we received through Baptism. As sharers in that Divine Life we grow under the loving care and guidance of our parents who are concerned, not only for the needs of our bodies, but also for our souls. In a happy home we find the members praying, playing, and staying together.

Monsignor William F. Garvin, pastor of the Cathedral Parish, administering the Sacrament of Baptism.

CHRISTIAN YOUTH

As good Catholic students we are active, loyal, and responsible members of the parish to which we belong. We are fully convinced that the center of our religious life from which God's grace flows comes to us through parish channels.

Father Arnold Spain, pastor of St. Anne's Parish, reading the Gospel at Sunday Mass.

Parish

A school is more than just a building where students learn about ancient heroes and the theories of the space age. It is a training for life--a school of the Lord's service where we are taught what will profit us for all eternity.

MEMORIES

FATHER JOHN GARVIN

Father John Garvin, after seven years of service at St. Mary's, was appointed pastor of St. Patrick's Church in Dickinson. During his years as superintendent here, Father John was vitally interested in the welfare of the school and the students. He will always be loved and admired by the present student body and all alumni of St. Mary's High School. His main concern was to further the development of the school scholastically, materially, and spiritually. He had the interest of each student at heart. The people of Bismarck honored him by a reception at S.M.C.H.S. on August 28.

MONSIGNOR ROBERT A. FEEHAN

On March 23 Monsignor Feehan celebrated his twenty-fifth anniversary as pastor of St. Mary's Parish. The members of the parish presented him with a sparkling new Dodge as a token of their appreciation. Monsignor Feehan, as busy as he is, somehow finds time to see his high school students. It is not uncommon to see him visiting classes each week. He appears with a smile, a word of inspiration, and often a song. Ever since he has been here, Monsignor has been deeply interested in the welfare of each and every student. Our beloved Monsignor Feehan will always be a welcome person at St. Mary's Central High.

JUNIOR- SENIOR BANQUET

April 16, 1958

Hawaiian leis and palm trees set a South Sea Island mood for the annual JUNIOR-SENIOR BANQUET. Alua (feast) complete with Hawaiian dishes for the upperclassmen, faculty, and guests began the evening festivities. Junior students provided entertainment including the theme song "Aloha" sung by Marlys Koch and the "Ave Maria," sung by a quartet of junior students. Wall murals of a tropical sunset of the island coast and jungles set an appropriate scene for the traditional dance which followed.

"Ave Maria" sung by a mixed quartet consisting of Loretta Januscheitis, Janice Helfenstein, John Colness, and David Rohan.

"The Naturals" provided soft Hawaiian music for the evening. Mr. Edward Schmaltz, a member of the faculty, played the saxophone.

MEMORIES CLASS PICNICS

The entire student body of St. Mary's, loaded down with balls, bats, food, and everything else imaginable for a picnic, left for the yearly outing at various spots throughout the city. The junior class spent the day at Riverside Park, the sophomores at Kiwanis, and the freshmen at Hillside. The senior picnic was held at Fort McKeen on the preceding day.

AFTER GRADUATION

After the commencement exercises the graduates congratulate each other amid tears, exclamations, and general excitement. Graduation is a mixed joy. The seniors are full of expectations for the future, yet sad at having to leave St. Mary's.

LIVING ROSARY

On Mothers' Day each year the students of SMCHS honor the Blessed Virgin by participating in the Living Rosary. The girls are the Hail Marys and the boys the Our Fathers. After each prayer, a candle is lit before the altar of Mary, the Queen of the Rosary.

MEMORIES

CAREER NIGHT was held on March 24 at B.J.C. for all juniors and seniors. Dean Sidney J. Lee welcomed the students and James D. Mathisen, state director of guidance, spoke on the topic, "A Career is a Creation

Harold Pierce speaking on law.

GRADUATION

On May 22, the senior class of 1958 received their diplomas from Monsignor William Garvin in the St. Mary's gym. Monsignor Feehan presented the class and Reverend Arnold Spain presented awards to the valedictorian, Diane Welder, and salutatorian, Alice Haeger. Father Mullins, the guest speaker at the Graduation Exercises spoke of the most neglected vocation in the world, the vocation of the scholar. All men are made by nature desirous to know. God has made man a little less than angels, crowned him with glory and honor and placed him over the works of His Hand. Man should do his work perfectly and as beautifully as possible. Nothing is Unimportant.

Sharon Diede accepting her diploma from Bishop H. B. Hacker at Commencement Exercises.

BACCALAUREATE MASS was offered in the Cathedral of the Holy Spirit on Sunday, May 18. Father Spain opened his sermon with the words, "Quo Vadis?" "Whither goest Thou?" He stressed that we all seek happiness because we are made to be content with God. Selfishness is a big reason for unhappiness. As Christian men and women we must go into the world unselfishly, looking for opportunities to serve others, meeting the challenge to make this a better world. Baccalaureate breakfast was at SMC. EXECUTIVE BOARD

St. Mary's Central High School belongs to and is primarily guided by Bishop Hacker and the pastors of Bismarck's three parishes. On the second Wednesday of each month, the same day Pastors' Hour is held for the students, Monsignor Feehan, Monsignor Garvin, and Father Spain meet with Father Becwar to discuss the improvement of the building and the moral problems connected with the school. On the third Friday of each month the entire student body participated in a High Mass which is offered alternately by each pastor

Mr. Mark Walsh, Mr. Leo Schreiner, and Mr. Sylvester Schneider (Not Pictured) form the financial and personnel advisory board.

Father Earl J. Becwar's monthly meeting with pastors, Monsignor Robert A. Feehan, Monsignor William F. Garvin, and Father Arnold Spain.

ADMINISTRATION AND FACULTY

Throughout his years at St. Mary's Central Father Becwar has devoted his time and energy tirelessly for the students' welfare. His door is always open to any student seeking advice. Father Becwar has high ideals of what a Catholic boy or a Catholic girl should be, and he guides the school accordingly. Each of the seniors comes in contact with his magnetic personality in Religion IV Class. Since Father John Garvin was assigned to St. Patrick's Parish in Dickinson, Father Becwar is assuming full responsibilities of the administration

MAGAZINE DRIVE

Radios, movie cameras, watches, and stuffed dogs all awaited the high salesmen in the Annual Magazine Drive held in September, 1958 under the guidance of Pinky Ostrander. Through the united efforts of the student body the school received a commission of \$1431.68.

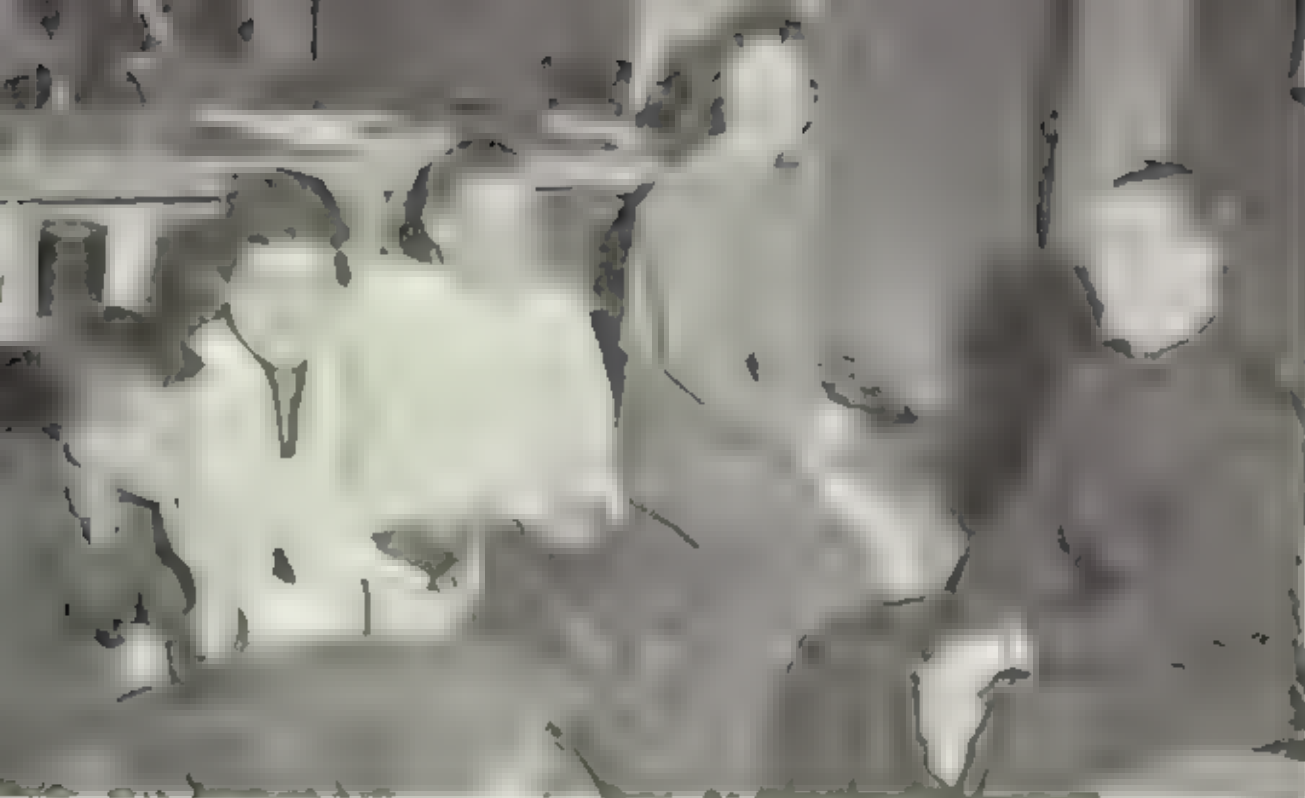

John Stocker, Ron Kosson, and Ellen Stanton were first, second, and third high salesmen respectively. Homeroom 102, the smallest one in school, turned in the highest amount of money to win the first prize trophy. Another senior homeroom, 203, won second prize.

Chairmen in charge at St. Mary's were Jim Moore and Betty Jane Dressler.

MOTHERS' HOLIDAY

"Sell your tickets and win a free day!" For several weeks before the Mothers' Holiday Dinner, held on January 4, 1959, this cry whipped up students' enthusiasm and urged them to sell their tickets. Students from all the classes worked together to make it a success. Mary Kay Gallagher and Bernard Faber were Co-chairmen for the ticket sale drive and the dinner. The seniors were victorious in their efforts to win the free day of their choosing.

Father Hagerott saying daily Mass for the students.

FIRST THINGS FIRST . . .

Student Mission

Father Donald Hagerott, assistant pastor at St. Joseph's Parish in Dickinson, conducted the student mission at SMCHS, November 17-25, '58. Three conferences were held each day in the gym. Daily at 11:00 the entire student body participated in the Holy Sacrifice of the Mass and at Benediction after the 2:40 conference.

"Get excited about going to Heaven!" With this statement Father Hagerott set the mood for the mission. Where are we going? How are we living now? All these thoughts gave us plenty to consider during the week of the mission. If we give God our best efforts, and keep a good conscience which is our greatest joy, we will set a good example and win our eternal reward.

STUDENT COUNCIL

Rae Ann Harens, Andy Shafer, Ellen Stanton, Diane Jiran, Vicki Bachmeier, Cassie Collins, Suzanne Walsh

Our STUDENT COUNCIL, a functioning body which acts as a go-between for students and faculty members under the guidance of Father Becwar, worked hard to foster a better school spirit here at St. Mary's. The organization gives students opportunities to "air" their problems and to make them see the need of participating full-heartedly in all school activities.

The Senior Class President, Vice-President, and Junior Class President meet with the representatives from each of the homerooms at a weekly noon meeting

On November 7 and 8 the officers and two Junior members attended the State Student Council Convention in Fargo. The members of the Council also hold positions in the Bismarck City Youth Council
